### FSTD DATA SHEET

|   |  |                              |                                   |
|---|--|------------------------------|-----------------------------------|
| A.  | Type or variant of aircraft:   | Airbus A340-300 standard 2.2 |                                   |
| B.  | FSTD qualification level:  | AEROPLANE FTD LEVEL 1        |                                   |
| C.  | Primary reference document:  | JAR-FSTD A initial issue     |                                   |
| D.  | Visual system:   | None                         |                                   |
| E.  | Motion system:   | None                         |                                   |
| F.  | Engine fit:  | CFM56-5C4                    |                                   |
| G.  | Instrument fit:  | A340 FSTD standard 2.2       |                                   |
| H.  | ACAS fit:  | TCAS II (ver. 7.0)           |                                   |
| I.  | Windshear:   | Profiles available           |                                   |
| J.  | Additional capabilities:   | None                         |                                   |
| K.  | Restrictions or limitations:   | None                         |                                   |
| L.  | Guidance information for training, testing and checking considerations |                              |                                   |
| CAT I   | RVR 550 m  | DH 200 ft                    | n/a                               |
| CAT II  | RVR 300 m  | DH 100 ft                    | n/a                               |
| CAT III (lowest minimum)                        | RVR 75 m   | DH no                        | n/a                               |
| LVTO  | RVR 125 m  |                              | n/a                               |
| Recency   |  |                              | n/a                               |
| IFR-training / check                            |  |                              | yes (partially) / n/a             |
| Type rating                                     |  |                              | yes (partially)                   |
| Proficiency checks                              |  |                              | n/a                               |
| Autocoupled approach                            |  |                              | yes (partially)                   |
| Autoland / roll out guidance                    |  |                              | yes / yes                         |
| ACAS I /II                                      |  |                              | n/a / yes                         |
| Windshear warning system / predictive windshear |  |                              | yes (partially) / yes (partially) |
| WX-radar  |  |                              | yes                               |
| HUD / HUGS                                      |  |                              | n/a / n/a                         |
| FANS  |  |                              | n/a                               |
| GPWS / EGPWS                                    |  |                              | n/a / yes                         |
| GPS   |  |                              | yes                               |
| ETOPS capability                                |  |                              | n/a                               |
| Other:  | None   |                              |                                   |
