### FSTD DATA SHEET

|   |  |                             |    |        |                       |
|---|--|-----------------------------|----|--------|-----------------------|
| A.  | Type or variant of aircraft:   | Boeing 787-8                |    |        |                       |
| B.  | FSTD qualification level:  | AEROPLANE FTD LEVEL 1       |    |        |                       |
| C.  | Primary reference document:  | CS-FSTD(A) initial issue    |    |        |                       |
| D.  | Visual system:   | CAE, Tropos XR for HUD      |    |        |                       |
| E.  | Motion system:   | None                        |    |        |                       |
| F.  | Engine fit:  | General Electric GEnX (70K) |    |        |                       |
| G.  | Instrument fit:  | According to aircraft type  |    |        |                       |
| H.  | ACAS fit:  | TCAS II (ver. 7.1)          |    |        |                       |
| I.  | Windshear:   | Profiles available          |    |        |                       |
| J.  | Additional capabilities:   | None                        |    |        |                       |
| K.  | Restrictions or limitations:   | None                        |    |        |                       |
| L.  | Guidance information for training, testing and checking considerations |                             |    |        |                       |
| CAT I   | RVR  | 550 m                       | DH | 200 ft | n/a                   |
| CAT II  | RVR  | 300 m                       | DH | 100 ft | n/a                   |
| CAT III (lowest minimum)                        | RVR  | m                           | DH | ft     | n/a                   |
| LVTO  | RVR  | 125 m                       |    |        | n/a                   |
| Recency   |  |                             |    |        | n/a                   |
| IFR-training / check                            |  |                             |    |        | yes (partially) / n/a |
| Type rating                                     |  |                             |    |        | yes (partially)       |
| Proficiency checks                              |  |                             |    |        | n/a                   |
| Autocoupled approach                            |  |                             |    |        | yes                   |
| Autoland / roll out guidance                    |  |                             |    |        | yes / yes             |
| ACAS I /II                                      |  |                             |    |        | n/a / yes             |
| Windshear warning system / predictive windshear |  |                             |    |        | yes / n/a             |
| WX radar  |  |                             |    |        | n/a                   |
| HUD / HUGS                                      |  |                             |    |        | yes / yes             |
| FANS  |  |                             |    |        | yes                   |
| GPWS / EGPWS                                    |  |                             |    |        | yes / n/a             |
| GPS   |  |                             |    |        | yes                   |
| ETOPS capability                                |  |                             |    |        | yes                   |
| Other:  | Controller-Pilot Data Link Communications (CPDLC)                      |                             |    |        |                       |
